May 16, 2000

Three of CDL's projects, namely Peirce Villas, Signature Park (Phase 1, 2 & 3) and Commerce Point received the Building and Construction Authority (BCA) Awards for Construction Excellence yesterday. They were selected from among 80 nominations and were assessed on the Contractor's overall management of the project, technical capability and innovations as well as the quality of the completed project. The two residential projects have managed to achieve scores in the 80s, which were well over the national average of 78 for the year 2000. The BCA Awards for Construction Excellence was introduced in 1986 and is now at its fourteenth year of competition.
