To: The Preference Shareholders of City Developments Limited

Dear Sir/Madam

OFF-MARKET EQUAL ACCESS OFFER

1. INTRODUCTION

At the Annual General Meeting (“**AGM**”) of City Developments Limited (the “**Company**”) held on 29 April 2026, the shareholders of the Company approved, *inter alia*, a general mandate (“**Share Purchase Mandate**”) to authorise the directors of the Company (the “**Directors**”) to purchase or otherwise acquire, on behalf of the Company, amongst others, issued non-redeemable convertible non-cumulative preference shares of the Company (“**Preference Shares**”) in accordance with the terms set out in the Letter to Shareholders dated 31 March 2026 as well as the Companies Act 1967 of Singapore, the constitution of the Company, and the Listing Manual (“**Listing Manual**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”).

2. PROPOSED SHARE PURCHASE

As announced by the Company on 12 May 2026 (the “**Announcement**”), pursuant to the Share Purchase Mandate, the Directors propose to undertake an off-market purchase of Preference Shares in accordance with the equal access scheme (“**Off-Market Equal Access Offer**”) set out in this Letter.

3. TERMS AND CONDITIONS OF THE OFF-MARKET EQUAL ACCESS OFFER

The Directors hereby make an offer to persons who are registered as holders of Preference

Shares in the Register of Members of the Company (the “**Register**”) or Depositors¹ who have Preference Shares entered against their names in the Depository Register¹ (collectively, the “**Preference Shareholders**”) to acquire, for and on behalf of the Company, the Preference Shares by way of an Off-Market Equal Access Offer on the terms and conditions set out in this Letter (including the relevant Acceptance Form (as defined below) despatched together with this Letter), and on the bases set out below.

A. Maximum Buyback Amount

- (i) Each Preference Shareholder is entitled to sell 10 per cent. of the total number of Preference Shares held by such Preference Shareholder as registered in his or her own name in the Register, and/or standing to the credit of the “Free Balance” of such Preference Shareholder’s securities account (“**Securities Account**”) with The Central Depository (Pte) Limited (“**CDP**”), as the case may be, as at 5.30 p.m. (Singapore time) on the Record Date (as defined below), fractional entitlements to be disregarded (the “**Entitled Shares**”), subject to the procedures for acceptance as set out in the Appendix to this Letter.
- (ii) In addition to the entitlement to sell the Entitled Shares, Preference Shareholders may tender Preference Shares in excess of the Entitled Shares of such Preference Shareholder (the “**Excess Shares**”) in acceptance of the Off-Market Equal Access Offer if other Preference Shareholders do not accept their full entitlement under the Off-Market Equal Access Offer.
- (iii) Notwithstanding the above, the Company will only buy back up to 24,120,733 Preference Shares in aggregate, representing approximately 10 per cent. of the total number of 241,207,335 Preference Shares in issue as at 29 April 2026, being the date on which the Share Purchase Mandate was approved (the “**Maximum Buyback Amount**”).

B. Offer Price

The offer price for each Preference Share shall be **S\$0.78** in cash (the “**Offer Price**”).

C. Determination of actual number of Preference Shares to be acquired from each Preference Shareholder

- (i) At the close of the Off-Market Equal Access Offer, the Company will purchase the Preference Shares (based on the number of Preference Shares as indicated or deemed to be indicated in the Acceptance Forms) validly tendered by the accepting Preference Shareholders (“**Accepting Shareholders**”) in acceptance of the Company’s offer (in accordance with and subject to the terms and conditions set out in the Acceptance Forms), subject to any adjustments in accordance with paragraphs 3(C)(ii) and (iii) below.

¹ As defined in Section 81SF of the Securities and Futures Act 2001 of Singapore.

- (ii) If the number of Preference Shares tendered is not indicated by the Accepting Shareholder in the Acceptance Form, the Accepting Shareholder shall be deemed NOT to have accepted the Off-Market Equal Access Offer.
- (iii) If the number of Preference Shares tendered is more than the number of such Accepting Shareholder's Entitled Shares, the number of Preference Shares in excess of such Entitled Shares shall be treated as Excess Shares. If the total number of Preference Shares tendered exceeds the Maximum Buyback Amount, any Entitled Shares tendered will be accepted but Excess Shares tendered by each Accepting Shareholder will be scaled down on a pro rata basis to ensure that the Company buys back no more than the Maximum Buyback Amount. In scaling down the number of Excess Shares tendered by Accepting Shareholders, the Company will also endeavour to round down odd lots to the closest 100 Preference Shares.
- (iv) Where any Preference Shareholder would, after the application of paragraph (iii), own less than 100 Preference Shares, the Company reserves the right to accept any remaining Excess Shares tendered by such Preference Shareholder, with a view to acquiring all of the Preference Shares of such Preference Shareholder, provided always that the total number of Preference Shares acquired by the Company does not exceed the Maximum Buyback Amount.

D. Duration of Off-Market Equal Access Offer

The Off-Market Equal Access Offer will be open for acceptance by Preference Shareholders for a period of 12 calendar days from the date of this Letter.

Accordingly, the Off-Market Equal Access Offer will close at 5.30 p.m. (Singapore time) on 3 June 2026 or such later date(s) as may be announced from time to time by the Company (the "Closing Date" or "Record Date").

Any reference in this Letter (including the Appendix) to a time of the day and date shall be a reference to Singapore time and date respectively, unless otherwise stated.

E. Rights and encumbrances of Preference Shares

The Preference Shares which are acquired pursuant to the Off-Market Equal Access Offer (the "**Offer Shares**") will be acquired fully paid and free from all charges, liens, pledges, trusts and other encumbrances, and together with all rights, benefits and entitlements attached thereto as at the date of the Announcement and thereafter attaching thereto, including the right to receive all dividends, rights, coupon payments and other distributions (if any) ("**Distributions**") which may be declared, paid or made thereon, on or after the date of the Announcement.

Accordingly, by accepting the Off-Market Equal Access Offer, you acknowledge and agree that you will not receive any Distributions on the Offer Shares which may be declared, paid or made thereon, on or after the date of the Announcement.

4. PROCEDURES FOR ACCEPTANCE

Please refer to the Acceptance Form (as defined below) despatched together with this Letter.

If you have Preference Shares standing to the credit of the “Free Balance” of your Securities Account (“**Depositors**”), you should receive a Form of Acceptance and Authorisation (“**FAA**”) together with this Letter.

If you have Preference Shares which are not deposited with CDP (“**in scrip form**”), you should receive a Form of Acceptance and Transfer (“**FAT**”) together with this Letter.

The FAA and FAT shall collectively be referred to in this Letter as the “**Acceptance Forms**”.

Please read the Appendix to this Letter for further details on the procedures for acceptance and other relevant information.

5. OPTIONS AVAILABLE TO PREFERENCE SHAREHOLDERS

YOU MAY CHOOSE FROM THE FOLLOWING TWO OPTIONS

OPTION 1 – Accept the Off-Market Equal Access Offer in accordance with its terms

If you choose to accept the Off-Market Equal Access Offer, you should complete, sign and return the Acceptance Form which is despatched together with this Letter. Please follow the provisions and instructions stated in this Letter and the Acceptance Form.

OPTION 2 – Take no action

If you choose not to accept the Off-Market Equal Access Offer, you do not have to take any action.

ILLUSTRATIONS

The following examples illustrate the various alternatives and positions of a Preference Shareholder (the “**Relevant Shareholder**”) who chooses to accept the Off-Market Equal Access Offer based on the following assumptions:

- (i) the total number of Preference Shares in issue is 1,000,000, and the Maximum Buyback Amount is 100,000 Preference Shares, being 10 per cent. of the total number of Preference Shares in issue; and
- (ii) the Relevant Shareholder holds 10,000 Preference Shares and is therefore entitled to tender 1,000 Entitled Shares in acceptance, being 10 per cent. of his shareholding.

Illustration A - Total number of Preference Shares tendered by the Relevant Shareholder is 500 (i.e., less than the Relevant Shareholder's Entitled Shares)

Total number of Preference Shares tendered by the Relevant Shareholder in acceptance of the Off-Market Equal Access Offer (based on the number of Preference Shares as indicated in the Acceptance Forms)	500
---	------------

As the total number of Preference Shares tendered is less than 10 per cent. of the total number of Preference Shares held by the Relevant Shareholder, the Company will purchase all the Preference Shares tendered by the Relevant Shareholder as indicated in his Acceptance Form as the number of Preference Shares tendered in acceptance.

Illustration B - Where the Relevant Shareholder does not indicate the number of Preference Shares tendered in acceptance

As the number of Preference Shares has not been indicated by the Relevant Shareholder, the Relevant Shareholder will be deemed not to have accepted the Off-Market Equal Access Offer.

Illustration C - Total number of Preference Shares tendered by the Relevant Shareholder is 5,000 (i.e., more than the Relevant Shareholder's Entitled Shares)

Number of Entitled Shares tendered by the Relevant Shareholder in acceptance of the Off-Market Equal Access Offer in accordance with paragraph 3A(i) above	1,000
---	-------

Number of Preference Shares deemed to be tendered by the Relevant Shareholder as Excess Shares in accordance with paragraph 3C(iii) above	4,000 (5,000 – 1,000)
--	--------------------------

Total number of Excess Shares tendered by all Preference Shareholders (including the Relevant Shareholder)	10,000 (of which 4,000 is tendered by the Relevant Shareholder)
--	--

Total number of Entitled Shares tendered by all Preference Shareholders (including the Relevant Shareholder)	95,000
--	--------

Total number of Excess Shares that can be bought back from all Preference Shareholders (including the Relevant Shareholder)	5,000 (100,000 – 95,000)
---	-----------------------------

Percentage by which Excess Shares will be scaled down on a pro rata basis in accordance with paragraph 3C(iii) above	50 per cent. (5,000 / 10,000)
---	----------------------------------

Number of Excess Shares bought back from the Relevant Shareholder after scaling down on a pro rata basis in accordance with paragraph 3C(iii) above	2,000 (50 per cent. of 4,000)
--	----------------------------------

Total number of Preference Shares bought back from the Relevant Shareholder	3,000
---	--------------

As the total number of Preference Shares tendered is more than 10 per cent. of the total number of Preference Shares held by the Relevant Shareholder, the Company will purchase all the Entitled Shares tendered by the Relevant Shareholder and an additional portion of the Excess Shares tendered by the Relevant Shareholder (after scaling down on a pro rata basis).

6. RATIONALE FOR THE OFF-MARKET EQUAL ACCESS OFFER

The Off-Market Equal Access Offer allows the Company to exercise greater control over the Company's share capital structure in relation to the Preference Shares. The Company does not have any current intention to exercise its right of conversion in relation to the Preference Shares. In addition, the trading volume of the Preference Shares continues to remain generally low, with an average daily trading volume² of approximately 7,550 Preference Shares, 9,677 Preference Shares, 6,024 Preference Shares and 9,123 Preference Shares during the one-month, three-month, six-month and twelve-month periods respectively up to and including 11 May 2026, being the last full market day immediately prior to the date of the Announcement on which the Preference Shares were traded on the SGX-ST (the "**Last Trading Day**"). Each of these represents less than approximately 0.0040 per cent. of the total number of issued Preference Shares for any of the aforementioned relevant periods. Based on the previous off-market purchase of Preference Shares in accordance with the equal access scheme completed in June 2025 (the "**2025 Share Buyback Exercise**") pursuant to which the Company had received acceptances from Preference Shareholders of more than 3.3 times the maximum buyback amount of the Preference Shares, it appears that there is strong demand from the Preference Shareholders who wish to dispose of their Preference Shares through the off-market equal access scheme. Accordingly, the Off-Market Equal Access Offer will provide Preference Shareholders with a cash exit opportunity to tender their Preference Shares for acceptance by the Company and monetise such Preference Shares.

7. STATUS OF PURCHASED PREFERENCE SHARES UNDER THE OFF-MARKET EQUAL ACCESS OFFER

All Preference Shares purchased or acquired by the Company pursuant to the Off-Market Equal Access Offer shall be cancelled.

8. APPLICATION OF THE SINGAPORE CODE ON TAKE-OVERS AND MERGERS

As the Preference Shares do not carry general voting rights, there will be no implications arising from The Singapore Code on Take-overs and Mergers as a result of the purchase or acquisition by the Company of Preference Shares pursuant to the Off-Market Equal Access Offer.

² The average daily trading volume is computed based on the total volume of Preference Shares traded divided by the number of market days, being days which the SGX-ST is open for the trading of securities, with respect to the one-month period, three-month period, six-month period and twelve-month period up to and including the Last Trading Day.

9. LISTING RULES

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. in the case of an off-market purchase pursuant to an equal access scheme, on the second day on which the SGX-ST is open for trading in securities after the close of acceptances of the offer. Such announcement currently requires the inclusion of details of the total number of shares purchased, the purchase price per share and the total consideration paid for the shares. Accordingly, the Company will make an announcement in compliance with the foregoing, which announcement is tentatively scheduled to be released on 5 June 2026.

10. OVERSEAS SHAREHOLDERS

A. Availability

The availability of the Off-Market Equal Access Offer to Preference Shareholders whose addresses are outside Singapore as shown in the Register or, as the case may be, in the records of CDP (the “**Overseas Shareholders**”) may be affected by the laws of the relevant overseas jurisdictions. Accordingly, Overseas Shareholders should inform themselves about and observe any applicable legal requirements. For the avoidance of doubt, the Off-Market Equal Access Offer is made to all Preference Shareholders, including those to whom this Letter, the FAAs and the FATs have not been, or will not be, sent, provided that this Letter does not constitute an offer or a solicitation to any person in any jurisdiction in which such offer or solicitation is unlawful and the Off-Market Equal Access Offer is not being made into any jurisdiction in which the making or acceptance of the Offer would not be in compliance with the laws of such jurisdiction. However, the Company may, in its sole discretion, take such action as it may deem necessary to extend the Off-Market Equal Access Offer to Preference Shareholders in any such jurisdiction.

It is the responsibility of Overseas Shareholders who wish to accept the Off-Market Equal Access Offer to satisfy themselves as to the full observance of the laws of the relevant jurisdiction, including the obtaining of any governmental or other consent which may be required, or compliance with other necessary formalities or legal requirements and the payment of any taxes, imposts, duties or other requisite payments due in such jurisdiction. Such Overseas Shareholders shall be liable for any such taxes, imposts, duties or other requisite payments payable and the Company and any person acting on the Company’s behalf shall be fully indemnified and held harmless by such Overseas Shareholders for any such taxes, imposts, duties or other requisite payments as the Company and/or any person acting on the Company’s behalf may be required to pay. In accepting the Off-Market Equal Access Offer, each Overseas Shareholder represents and warrants to the Company that such Overseas Shareholder is in full observance of the laws of the relevant jurisdiction in that connection and that such Overseas Shareholder is in full compliance with all necessary formalities or legal requirements.

If you are in doubt about your position, you should consult your professional adviser in the relevant jurisdiction.

B. Copies of this Letter and the Acceptance Forms

Preference Shareholders who are Depositors (including Overseas Shareholders) may obtain copies of this Letter and the FAA from CDP by submitting a request to CDP via phone (+65 6535 7511) during their operating hours or email services (asksgx@sgx.com) up to the Closing Date. Preference Shareholders who are holding Preference Shares registered in their own names on the Register (including Overseas Shareholders) may write in to the Share Registrar, Boardroom Corporate & Advisory Services Pte. Ltd. at 1 Harbourfront Avenue, #14-07 Keppel Bay Tower, Singapore 098632 to request for this Letter and the FAT to be sent to an address in Singapore by ordinary post at such Preference Shareholder's own risk (up to three market days prior to the Closing Date). For the avoidance of doubt, the Off-Market Equal Access Offer is made to all Preference Shareholders including those Preference Shareholders to whom this Letter and the Acceptance Forms may not be despatched.

C. Notice

The Company reserves the right to notify any matter, including the fact that the Off-Market Equal Access Offer has been made, to any or all Preference Shareholders (including Overseas Shareholders) by announcement via SGXNET, in which case such notice shall be deemed to have been sufficiently given notwithstanding any failure by any Preference Shareholder to receive or see such announcement.

11. PAYMENT OF THE OFFER PRICE

On the assumption that the Company buys back the Maximum Buyback Amount, the aggregate Offer Price paid by the Company in satisfaction of the Off-Market Equal Access Offer shall be S\$18,814,171.74.

Under the Share Purchase Mandate, the Company had indicated its intention to use internal resources and/or external borrowings to finance purchases or acquisitions of its shares. Accordingly, the Company intends to use internal resources to finance the Off-Market Equal Access Offer.

12. SHARE PURCHASES BY THE COMPANY

The Company had purchased an aggregate of 26,800,814 Preference Shares by way of an off-market purchase in accordance with an equal access scheme during the 2025 Share Buyback Exercise, pursuant to the general mandate approved by the shareholders of the Company at the AGM held on 23 April 2025. The purchase price was S\$0.78 per Preference Share and the total consideration paid for all the purchases was S\$20,904,634.92.

Save for the 2025 Share Buyback Exercise, the Company has not purchased any of its Preference Shares in the last 12 months immediately preceding 13 May 2026.

13. GENERAL

A. Governing law and jurisdiction

This Letter and the Acceptance Forms, all acceptances of the Off-Market Equal Access Offer, all contracts made pursuant thereto and all action taken or deemed to be taken or made in connection with any of the foregoing shall be governed by, and construed in accordance with, the laws of Singapore and all Accepting Shareholders agree by accepting the Off-Market Equal Access Offer to submit to the non-exclusive jurisdiction of the courts of Singapore.

B. No third-party rights

This FAT is for the use of Preference Shareholders who wish to accept the Off-Market Equal Access Offer in respect of all or part of the total number of Preference Shares represented by share certificate(s) which have not been deposited with The Central Depository (Pte) Limited ("CDP"). Preference Shareholders who hold the share certificate(s) of the Preference Shares beneficially owned by them and who wish to accept the Off-Market Equal Access Offer in respect of such Preference Shares should not deposit their share certificate(s) with CDP during the period commencing on the date of the Letter to Preference Shareholders and ending on the Closing Date (both dates inclusive). Preference Shareholders who deposit their share certificate(s) in respect of the Preference Shares beneficially owned by them with CDP during this period may not have their respective Securities Accounts credited with the relevant number of Preference Shares in time for them to accept the Off-Market Equal Access Offer. This form has been sent to you on the understanding that all your Preference Shares are registered in your name. A copy of the FAA may be obtained upon production of satisfactory evidence that you are a Preference Shareholder, from THE CENTRAL DEPOSITORY (PTE) LIMITED, by submitting a request to CDP via phone (+65 6535 7511) during their operating hours or email services (asksqx@sgx.com).
