UPDATE: SOUTH ISLAND EARTHQUAKES

Millennium & Copthorne Hotels New Zealand Limited (NZX:MCK) advises that all of its hotels across New Zealand are operating normally and have not been otherwise affected by the earthquakes felt earlier today. There have been no major injuries to guests and no staff have been injured.

As part of its normal procedures, MCK will conduct a thorough inspection of its properties in the course of the next few days to ensure that guest and staff safety as well as building integrity has not been compromised. Our sympathies go out to people who have been affected.
