Key information on Mr Sherman Kwek Eik Tse is found on pages 27 and A1 onwards of the Annual Report.

7. The Ordinary Resolution set out in item 7 above, if passed, will empower the Directors of the Company from the date of the Meeting until the next AGM (unless such authority is previously revoked or varied at a general meeting), to issue Ordinary Shares and/or make or grant Instruments that might require new Ordinary Shares to be issued up to a number not exceeding 100% of the total number of issued Ordinary Shares, excluding treasury shares and subsidiary holdings, of the Company, of which up to 10% may be issued other than on a *pro rata* basis to shareholders. The aggregate number of Ordinary Shares which may be issued under this Ordinary Resolution will be calculated based on the total number of issued Ordinary Shares, excluding treasury shares and subsidiary holdings, of the Company at the time that this Ordinary Resolution is passed, after adjusting for new Ordinary Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of Ordinary Shares.

On 8 April 2020, SGX RegCo issued a news release which introduced measures to support issuers amid the challenging business and economic climate due to COVID-19, including enabling the acceleration of fund-raising efforts by allowing Mainboard issuers to seek a general mandate for an issue of shares and convertible securities of up to an aggregate of 100% of its issued shares (excluding treasury shares and subsidiary holdings), versus up to 50% previously (the "Enhanced Share Issue Limit"), of which the aggregate number of shares and convertible securities issued other than on a *pro rata* basis remains at not more than 20%. The Enhanced Share Issue Limit may be renewed at the 2021 AGM and is only valid until 31 December 2021, by which date any shares issued pursuant to the Enhanced Share Issue Limit must be listed, and no further shares may be issued under this limit.

The Company is proposing to avail itself to the Enhanced Share Issue Limit and accordingly to seek Shareholders' approval for the same at the Meeting. The Board of Directors is of the view that

it would be in the interests of the Company and its Shareholders to do so in the event that circumstances evolve before the 2021 AGM amid the COVID-19 situation to such an extent that a 50% limit for *pro rata* issue of shares is not sufficient to meet the Company's needs. If this were to occur and no Enhanced Share Issue Limit were to be in place, fund raising efforts would otherwise be unnecessarily hampered and compromised by the time needed to obtain Shareholders' approval to issue shares above the 50% threshold.

8. The Ordinary Resolution set out in item 8 above, if passed, will empower the Directors of the Company to make purchases or otherwise acquire the Company's issued Ordinary Shares and/or Preference Shares (collectively, the "Shares") from time to time subject to and in accordance with the guidelines set out in Annexure I of the Letter to Shareholders. This authority will expire at the conclusion of the next AGM of the Company, unless previously revoked or varied at a general meeting or when such purchases or acquisitions are carried out to the full extent mandated.

The Company intends to use internal resources and/or external borrowings to finance purchases or acquisitions of its Shares under the Share Purchase Mandate. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on whether the Shares are purchased or acquired out of capital or profits of the Company, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and whether the Shares purchased or acquired are held in treasury or cancelled.

Based on the existing number of issued Ordinary Shares and Preference Shares of the Company as at 30 April 2020 (the "Latest Practicable Date") (disregarding the Ordinary Shares held in treasury), the exercise in full of the Share Purchase Mandate would result in the purchase of 90,690,133 Ordinary Shares (representing 10% of the total number of issued Ordinary Shares of the Company, disregarding the Ordinary Shares held in treasury) and 33,087,425 Preference Shares (representing 10% of the total number of issued Preference Shares of the Company).

In the case of Market Purchases and Off-Market Purchases by the Company and assuming that the Company purchases or acquires 90,690,133 Ordinary Shares at the Maximum Price of \$8.18 for one Ordinary Share (being the price equivalent to 105% of the Average Closing Price as at the Latest Practicable Date) and 33,087,425 Preference Shares at the Maximum Price of \$1.07 for one Preference Share (being the price equivalent to 105% of the Average Closing Price as at the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 90,690,133 Ordinary Shares and 33,087,425 Preference Shares is approximately \$742 million and \$35 million respectively.

The financial effects of the purchase or acquisition of such Shares pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended 31 December 2019 based on these assumptions are set out in paragraph 3.5 of Annexure I of the Letter to Shareholders.

9. The Ordinary Resolution set out in item 9 above, if passed, will renew the IPT Mandate which was last approved by Shareholders on 26 April 2019, to facilitate the Company, its subsidiaries and its associated companies to enter into Interested Person Transactions, the details of which are set out in Annexure II and Appendix A of the Letter to Shareholders. The IPT Mandate will continue in force until the conclusion of the next AGM of the Company, unless previously revoked or varied at a general meeting.

Voting restriction pursuant to Rule 921(7) of the Listing Manual of SGX-ST

Hong Leong Investment Holdings Pte. Ltd. and its subsidiaries, the Directors of the Company and their associates, who are also shareholders of the Company and being Interested Persons under the IPT Mandate, are required to abstain from voting at the Meeting in respect of the Ordinary Resolution 9 in relation to the proposed renewal of the IPT Mandate.
