IREIT secures pivotal 15-year lease with German federal government body for 25% of Darmstadt Campus

- The 15-year anchor lease with this new tenant has two prolongation options of five years and will commence on 1 June 2023
- This will further help to improve the long-term stability of IREIT's income streams and spur increased interest among other current interested parties to commit leases at Darmstadt Campus
- This new lease once again demonstrates the Manager's ability to attract new quality tenants and diversify its tenant mix away from legacy tenants in IREIT's portfolio
- Overall portfolio occupancy rate would have improved from 88.3% to 90.3% as at 31 December 2022 on a pro forma basis, while weighted average lease expiry would have improved from 5.0 years to 5.2 years
- The Manager will continue to actively engage with IREIT's existing tenants to extend their leases while attracting new tenants as part of its diversification strategy

SINGAPORE | 24 APRIL 2023

For immediate release

IREIT Global ("IREIT"), a Europe-focused real estate investment trust managed by IREIT Global Group Pte. Ltd. (the "Manager"), is pleased to announce that the Manager has successfully clinched a pivotal anchor lease with a German federal government body to take up approximately 6,200 sqm of office space and 1,400 sqm of storage space at Darmstadt Campus, representing approximately 25% of the total lettable area at the property.

The new tenant is a 100% owned agency of The State of Hesse that performs construction and property/facility management on behalf of The State of Hesse. The lease will commence on 1 June 2023, has a long lease duration of 15 years, and two prolongation options of five years. With rents secured at market levels, the new lease will generate an annual rental income of approximately €1.2 million.

Media Release

The new lease was concluded only four months after the previous sole tenant, GMG Generalmietgesellschaft mbH (“GMG”), a subsidiary of Deutsche Telekom, had vacated Darmstadt Campus. The lease once again demonstrates the Manager’s ability to attract new quality tenants and diversify its tenant mix away from legacy tenants in IREIT’s portfolio. With this new lease, the overall occupancy rate of IREIT’s portfolio would have improved from 88.3% to 90.3% as at 31 December 2022 on a pro forma basis, while the overall weighted average lease expiry would have improved from 5.0 years to 5.2 years.

Mr Louis d’Estienne d’Orves, Chief Executive Officer of the Manager, said, “We are very pleased to have achieved this breakthrough within such a short period of time. This demonstrates the quality of our property and operating team on the ground. With the lease only expiring in 2038, it will further help to improve the long-term stability of IREIT’s portfolio performance and spur increased interest among other current interested parties to commit leases with us.”

“Our key focus for 2023 and the immediate future is to continue to actively engage our existing tenants while attracting new occupiers to strengthen our tenant mix. We will also continue to pursue investment opportunities to further diversify and grow IREIT’s income streams and mitigate any impact on IREIT’s future distributions,” Mr d’Estienne d’Orves added.

Looking ahead, Berlin Campus’s sole lease expiry due in June 2024 will provide the next opportunity to create significant long-term value for IREIT’s investors. The Manager has been actively engaging the tenant while exploring various options on the property.
